CONDOMONIUM is an amazing party, annual public awareness event, and signature fundraiser for CHOICES, a small (but, mighty) non-profit organization providing reproductive health care, education, and policy advocacy around reproductive health and rights. Funds raised from CONDOMONIUM will be used to support CHOICES' programs and services.

Your generous sponsorship makes this event possible and bring awareness, support, and levity to the fight for reproductive rights in our Memphis community!

CHOICES.
